A Day for Art

Have you painted at school? One morning, Robert, Sarrah, and Tina had art class. They sat at a table with brushes and paint. They were so happy!

Key point

Robert painted a sun, Sarrah a flower, and Tina a blue fish.

Oh No! A Mess!

Suddenly, Tina moved her arm too fast. **Oops!** Her cup of blue paint **tipped over**. Blue paint spilled all over the table. Tina looked very worried.

Example

What do you do when you make a mistake at school?

Friends Help Out

“It’s okay,” said Robert. He got paper towels. Sarrah brought a cloth.

The three friends **worked together** to clean the table. Soon, it was clean again!

Fun fact

Helping others makes both you and your friends feel happy.

Let's Think Together

The teacher said she was proud of the friends. Why do you think she felt that way?

Let's Think Together

You might have said...

Because they were kind to each other.

Because they didn't get angry at Tina's mistake.

Because they worked as a team to clean up.
